Sir,

In the Specification:

Please amend the specification as follow:

Page 23, at the end of line 23 please add the following sentence:

"Figure 8 is the equivalence to the Include Table of Figure 7 in response to the program indicated in Figure 6B to indicate the nature of the programs to be included. "E" indicates the program is an external program. "A" indicates the program is an Assembly language program. "C" indicates the program is written in C language. "J" indicates the program is written in Java, "VC" indicates the program is written in Visual C and "VB" indicates the program is written in "Visual Basic". The prefix helps the computer to identify the decoder, interpretator or compiler to be utilized to process the program."
